## Community Updates

**800 Jackson Street:** The zoning adjustment necessary for this project to proceed was approved by the Hoboken City Council on March 2. The good news is that the building is 3-4 stories less in height and the ground floor now interfaces with the surrounding area much better.

**900 Monroe:** The 6th hearing for this project has been postponed until May 17, a week after the Hoboken municipal election. Further details and renderings of both projects will be available at the RNA meeting.

**Sat. April 30 - 10 am to 1 pm**

**"Walk for Liberty State Park 2005"**

to raise needed funds for trees, flowers & other beautification projects. Organized by Friends of LSP and LSP Conservancy. Starting place and free music stage is at park's CRRNJ Terminal. 3 mile roundtrip on scenic "Liberty Walk" or any distance preferred by walkers. Pre-registration is \$20, and \$30 on 30th. Please come out to show support, hear music and hang out in the People's Park. Thanks to RNA for its past support in all battles against commercial plans.
