## Thanks to Everyone!

### For your help and support with RNA's 19th Annual Park Fair and Flea Market

Despite the rainout on June 7th, everyone regrouped on June 14th to make the Park Fair a success! Given the difficulties of rescheduling there are special thanks to the Division of Parks and Forestry, especially Director Willie Brown and Cleveland Snow.

The support of our local merchants is greatly appreciated: Goerhig's Bakery, M&M Plumbing Supply, Palisade Lumber, Partytime Productions, Royal House Floor Supply, Signs & Graphics, Silon Hardware, Skyline Graphic Management and Stop 'N Shop Supermarket. Special thanks to Saint Nicholas Church and Pat O'Melia from "Hudson County's Talking".

RNA would like to acknowledge the support and cooperation of the following City officials and agencies: Mayor Glenn Cunningham, Councilman Bill Gaughan, the Department of Cultural Affairs, the Incinerator Authority and the North District Police.

## Letter to Editor

### NO LAW, ALL DISORDER

Have you noticed you can no longer walk down our streets without encountering gangs, drugs, vandalism, public intoxication and public urination? When dodging the noisy motorized scooters that careen through the sidewalks, streets and parks you must hop-scotch across the dog feces, drug paraphernalia and broken bottles.

Open fire hydrants are creating a serious safety issue for motorists who must navigate around the children playing and those that are throwing bottles and cans at the drivers. With so many hydrants open what will happen if there is a fire? I cannot forget the breakfast, lunch and dinner bar-b-que fires that are now occurring in Riverview-Fisk Park.

Once again the large groups of intimidating individuals that roam the park and streets have returned to establish their turf. Why is this being allowed to happen?

There are ordinances in place to deal with these issues. When will they be enforced?!!!
